Report on the Financial Statements

We have audited the accompanying financial statements of Melanoma Research Alliance Foundation (a nonprofit organization), which comprise the statement of financial position as of December 31, 2013, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Melanoma Research Alliance Foundation as of December 31, 2013, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Melanoma Research Alliance Foundation's 2012 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated June 4, 2013. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2012, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTES TO FINANCIAL STATEMENTS

December 31, 2013

NOTE 1 - NATURE OF ORGANIZATION

The Melanoma Research Alliance Foundation (MRA) accelerates the pace of scientific discovery and its translation into effective options for patients in order to eliminate suffering and death due to melanoma. MRA's ultimate goal is to find a cure for this deadly skin cancer.

MRA finds and funds the most promising melanoma research worldwide that will accelerate progress toward a cure. Thanks to the generous ongoing support of its founders, Debra and Leon Black, all public donations to MRA go directly to melanoma research. Since its inception in 2007, MRA has become the largest private funder of melanoma research. MRA is a 501(c)3 charity formed under the auspices of The Milken Institute.

MRA's primary program is its worldwide research portfolio. MRA's grants make transforming advances in the prevention, diagnosis, staging, and treatment of melanoma, including research in biological causes of carcinogenesis, skin screening, biomarkers, imaging, immunotherapy, molecularly targeted therapy, and combination therapy. MRA conducts an annual Scientific Retreat and ongoing oversight activities to manage and implement this grants program, and accelerate the pace of discovery.

Collaboration is at MRA's core, from the team approaches to research that it funds, to the way it finds partners who can help realize its vision, including matching funding for research awards to enhance support for the most promising science. MRA is focused on outreach activities to engage people and organizations that share its mission, and counts upon a growing list of allies in the fight against melanoma, helping conduct programs to promote awareness and education about the dangers of melanoma, while garnering additional resources to defeat melanoma through research.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) BASIS OF PRESENTATION

The accompanying financial statements have been prepared on the accrual basis of accounting. These financial statements are reflected on a stand-alone basis. The consolidated financial statements of The Milken Institute include the financial results of MRA.

(b) ACCOUNTING

To ensure observance of certain constraints and restrictions placed on the use of resources, the accounts of MRA are maintained in accordance with the principles of net assets accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into net asset classes that are in accordance with specified activities or objectives. Accordingly, all financial transactions have been recorded and reported by net asset class as follows:

- **Unrestricted.** These generally result from revenues generated by receiving unrestricted contributions, providing services, and receiving income from investments less expenses incurred in providing program related services, raising contributions, and performing administrative functions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(b) ACCOUNTING (continued)

- **Temporarily Restricted.** MRA reports gifts of cash and other assets as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from purpose or time restrictions. MRA has \$22,478,557 of temporarily restricted net assets at December 31, 2013.
- **Permanently Restricted.** These net assets are received from donors who stipulate that resources are to be maintained permanently, but permit MRA to expend all of the income (or other economic benefits) derived from the donated assets. MRA has no permanently restricted net assets at December 31, 2013.

(c) CASH AND CASH EQUIVALENTS

MRA has defined cash and cash equivalents as cash in bank and money market accounts with an original maturity of three months or less. The carrying value of cash and cash equivalents at December 31, 2013 approximates its fair value.

MRA maintains its cash and cash equivalents in bank deposit accounts, which, at times, may exceed federally insured limits. MRA has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

(d) CONTRIBUTIONS RECEIVABLE

Unconditional contributions, including pledges recorded at estimated fair value, are recognized as revenues in the period received. MRA reports unconditional contributions as restricted support if they are received with donor stipulations that limit the use of the donated assets. Conditional promises to give are not included as support until such time as the conditions are substantially met. Various discount rates ranging from 0.5% to 2.5% have been used to calculate the present value discount of contributions receivable, which amounted to \$248,073 at December 31, 2013. At December 31, 2013, all contributions receivable are considered fully collectible; therefore, no allowance for doubtful pledges has been established.

(e) PROPERTY AND EQUIPMENT

Property and equipment are recorded at cost if purchased or at fair value at the date of donation if donated. Depreciation is provided on a straight-line basis over the estimated useful lives of the related assets as follows:

Computer Equipment and Software	3 - 5 Years
---------------------------------	-------------

Expenditures for repairs and maintenance are charged to operations when incurred while renewals and betterments are capitalized.

MELANOMA RESEARCH ALLIANCE FOUNDATION

NOTES TO FINANCIAL STATEMENTS

December 31, 2013

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(f) LONG-LIVED ASSETS

MRA reviews long-lived assets for impairment whenever events or changes in circumstances indicate that the book value of the assets may not be recoverable. An impairment loss is recognized when the sum of the undiscounted future cash flows is less than the carrying amount of the asset, in which case a write-down is recorded to reduce the related asset to its estimated fair value. No impairment losses were recognized on long-lived assets during the year ended December 31, 2013.

(g) REVENUE RECOGNITION AND DEFERRED REVENUE

Contributions. Unconditional contributions, including pledges recorded at fair value, are recognized as revenues in the period received. MRA reports unconditional contributions as restricted support if they are received with donor stipulations that limit the use of the donated assets. Conditional promises to give are not included as revenue until such time as the conditions are substantially met.

Sponsorships. Revenues received under sponsorship agreements are deferred and recognized as income in accordance with the terms of the related agreements. Sponsorships are typically for MRA's Annual Scientific Retreat; as a result, sponsorship revenue is recognized as income in the period in which the related retreat is held.

(h) GRANTS

Grants are charged against operations when authorized by the Board of Directors and approved by the Chief Executive Officer. The actual payment of the grant may not occur in the year of authorization. Conditional grants are not recognized until the conditions are substantially met.

MRA has \$9,439,961 in research-related contractual grant commitments outstanding. These commitments are contingent upon review and approval by MRA of annual progress reports of research team performance, outcomes and expenditures.

(i) INCOME TAXES

MRA is exempt from federal taxation under Internal Revenue Code Section 501(c)(3) and the corresponding state provisions.

(j) FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing MRA's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit. MRA uses functional time estimates to allocate indirect costs.

The financial statements include certain prior-period summarized financial information in total but not by net asset class.
